28 project for which revenue bonds have been issued, unless otherwise pledged and allocated,  
29 may be pledged and allocated by the authority to the payment of the principal and interest  
30 on revenue bonds of the authority as the resolution authorizing the issuance of the revenue

The petition for validation shall also make party defendant to such action the state; any institution, department, or other agency thereof; and any county, municipality, school district, or other political subdivision or authority of the state which has contracted with the authority for services or facilities relating to the project for which revenue bonds are to be issued and sought to be validated, and such defendant shall

1 be required to show cause, if any exists, why such contract or contracts shall not be  
2 adjudicated as a part of the basis for the security for the payment of any such revenue bonds.  
3 The revenue bonds, when validated, and the judgment of validation shall be final and  
4 conclusive with respect to such revenue bonds and the security for the payment thereof and

17 diminished or impaired in any manner that will affect adversely the interests and rights of the  
18 holders of such revenue bonds, and no other entity, department, agency, or authority will be  
19 created which will compete with the authority to such an extent as to affect adversely the  
20 interest and rights of the holders of such revenue bonds, nor will the state itself so compete  
21 with the authority. The provisions of this Act shall be for the benefit of the authority and the

23 provisions hereof, shall constitute a contract with the holders of such revenue bonds.

24 **SECTION 21.**
